Mr. CARSON.
Mr. STRAITH.

To His Honour the Lieutenant-Governor in Council:

THE undersigned has the honour to recommend that under the provisions of section 4 of the "Chiropody Act," chapter 37 of the "Revised Statutes of British Columbia, 1936," the Regulations of the Board of Examiners in Chiropody, made by the Board on the 5th day of November, 1947, in terms of the regulations attached hereto, be approved.

Dated this 9th day of March, A.D. 1948.

Approved this 9th day of March, A.D. 1948.

BYRON I. JOHNSON,
Presiding Member of the Executive Council.

REGULATIONS OF THE BOARD OF EXAMINERS IN CHIROPODY.

All previous regulations of the Board of Examiners in Chiropody are hereby repealed, and the following regulations made and passed by the Board on the fifth day of November, 1947, are substituted therefor:—

1. The Board shall appoint one of its members to be Chairman, and he shall hold office until his successor is appointed, unless sooner removed by death or resignation, or unless removed by a majority vote of the members of the Board. The Board shall appoint a secretary, and he shall hold office during the pleasure of the Board.

2. An applicant for a certificate of registration under the provisions of the "Chiropody Act" of the Province of British Columbia shall furnish to the Board, on application forms provided by the Board, the information required by the said Act and the regulations of the Board. Such application, together with the full fee for examination, registration, and licence to practice, as fixed by the British Columbia Association of Chiropodists, shall be filed with the secretary of the Board at least two weeks before the date set for the meeting of the Board for examination of candidates.

3. No person shall be admitted to examination for a certificate of registration to practise chiropody unless he or she has obtained a certificate from the proper school authorities showing that such applicant, before entering a school or college of chiropody, had obtained an academic education equal to the first year in Arts of the University of British Columbia, or any other university of equal standing, and has obtained a diploma or certificate of graduation from a legally incorporated school or college of chiropody approved by the Board; provided that he or she has personally attended the prescribed courses of study of chiropody for a minimum period of four years of eight months each, with a minimum total of forty-two hundred (4,200) hours of instruction.

4. Any person who has attended the accelerated course in a school or college of chiropody approved by the Board, and has met the requirements of Regulation 3, as to the number of months and hours of instruction, shall be admitted to examination.

5. Any person who has graduated from a recognized school or college of chiropody, approved by the Board, requiring a three-year course of study of chiropody, and has obtained an academic education equal to the first year in Arts of the University of British Columbia, or its equivalent as defined in Regulation 3, shall be admitted to examination, provided that application for examination be made not later than January 30th, 1949.

6. The examination shall be written, oral, and clinical, and shall embrace the following subjects: Anatomy, histology, physiology, pathology, chemistry, bacteriology, dermatology, materia medica and therapeutics, pharmacy, hygiene and sanitation, chiropodical medicine and surgery, and chiropodical orthopedics. The minimum requirement for registration of applicants under this section shall be based on a general average of seventy-five per cent. in all subjects.

7. If a candidate fails to obtain a general average of seventy-five per cent. in all subjects, he shall be deemed to have failed; and failure to attain sixty per cent. in any subject shall be deemed to be a failure in that subject; provided that if a candidate shall fail in not more than two subjects, his general average as aforesaid shall not be computed until he has tried and passed his supplemental examination in such subjects. If in such latter event his general average shall be less than seventy-five per cent., he shall be deemed to have failed in his examination.

8. Failure in more than two subjects shall necessitate taking the whole examination over again. In case of failure in one or two subjects only, the candidate, upon application and payment of fees therefor, shall be permitted to take supplemental examinations in such subjects without further examinations in other subjects.

9. The examinations shall be conducted by two or more members of the Board; but the question-papers shall be examined by the members of the Board preparing them, each member examining the paper he has prepared. The Board shall finally decide upon the value of each paper.

10. The examinations shall be held at such time and place as the Board may determine.

11. The Chairman of the Board shall preside at all meetings of the Board. He shall call all meetings of the Board. He shall countersign all cheques drawn by the secretary; call meetings of the Board upon the

12. The order of business of the Board shall be: Roll-call; reading of minutes of previous meeting; business arising out of minutes; correspondence; reports of committees; unfinished business; new business; accounts.

13. The secretary shall be the treasurer of the Board, and shall furnish a bond to the Board in a form satisfactory to the Board, in such sum or sums as the Board thinks fit, with a condition that the secretary shall well and faithfully carry out the duties of his office and account for and pay over to the Board all moneys he receives on behalf of the Board, and such bond and conditions shall be sued upon by the Board in the names of the members of the Board in the event of any default or wilful misconduct of the secretary. 16. Three members of the Board personally present shall constitute a quorum at any meeting of the Board.

17. The Board shall manage and dispose of all moneys and funds coming into its hands in such manner and for such purposes as it shall deem advisable for the advancement, betterment, and regulation of the practice of chiropody in the Province, subject always to the provisions of the Act in that behalf.

18. For the maintenance of an ethical standard and for the government and honour of those engaged in the practice of chiropody, it is hereby provided:—

(*b*) No chiropodist shall offer to guarantee a cure either verbally or in writing or by advertisement or otherwise:

(*c*) No chiropodist shall advertise in a newspaper, telephone directory, or other periodical without first submitting the proposed advertising to the Board, which shall grant or refuse permission to the said chiropodist to publish the said advertising:

(*d*) Any chiropodist who violates any of the regulations as contained in subparagraphs (*a*) to (*c*), inclusive, of this regulation shall be deemed to have been guilty of unprofessional conduct.

19. Subject always to the provisions of the "Chiropody Act" and of these regulations, the Board may from time to time by resolution enact by-laws pertaining to its functions and governing its conduct of its business and may from time to time amend, repeal, re-enact, and add to the same.

(NOTE.—Section 4, subsection (2), of the "Chiropody Act" states: "That regulations and amendments to regulations shall not come into force until approved by the Lieutenant-Governor in Council and until such approval has been published in the Gazette.")
